The Trojan Annual is Dedicated to the Bus Drivers and the Custodians

Whom do you call when your locker is jammed? Whom do you see when the classroom is too cold? Who puts all the desks in nice neat rows over night? Who keeps a good supply of ditto paper in the teachers' room? Who gets you back and fourth to school safely? Who makes sure your team is on time for an away event? The answer to all these questions is the same—the custodians and bus drivers.

In appreciation for all you do that helps keep our school running smoothly, with a resounding "Thank You", we dedicate the 1983 yearbook, Growing Panes to the custodians and the bus drivers.

4 THANKS!

First Row: Bob Sinn, Tim Shultz, Gary Yaple, Gary Oakes, Dave Srnka, manager Matt Schwoeble. Second Row: Coach Al George, Jeff LaFave, John Hulbert, Keith Palmer, Steve Stansfield, Jim Foster, Bruce Ray, Shane Brown.

The Trojan Varsity Baseball Team had an excellent season, ending with a record of 9-6. The Trojan showed their ability by capturing straight wins during the early part of the season. Unfortunately, they lost several games to some of the larger schools in the Division, later in the season. The players' statistics, however, showed their hard work and effort.

Ten Little Indians Spring '82

The Rhyme of the Ten Little Indians

Ten little Indian boys went out to dine;
One choked his little self and then there were nine.

Nine little Indian boys sat up very late;
One overslept himself and then there were eight.

Eight little Indians boys traveling in Devon;
One got left behind and then there were seven.

Seven little Indian boys chopping up sticks;
One chopped himself in half and then there were six.

Six little Indian boys playing with a hive;
A bumblebee stung one and then there were five.

Five little Indian boys going in for law;
One got in Chancery and then there were four.

Four little Indian boys going out to sea;
A red herring swallowed one and then there were three.

Three little Indian boys walking in the zoo;
A big bear hugged one and then there were two.

Two little Indian boys sitting in the sun;
One got frizzled up and then there was one.

One little Indian boy left all alone;
He went home and hanged himself and then there were none.

Although there was no varsity football in Newfield in the fall of 1982, there was an active group of 7th, 8th, and 9th graders playing modified football. They had a winning season despite a muddy tussle with Lansing late in the season.

Much enthusiasm for restoring varsity football in the fall of 1983 has been shown throughout the year as evidenced by the number of young men working

Tommy Turner has been married for ten years to Ellen and he is quietly settled in a nice comfortable teaching job at Mid-Western University. But this is the week-end of the Michigan game and Joe Ferguson, who was the greatest football hero Mid-Western ever had, comes to town and, of course, sees Ellen to whom he used to be sort of unofficially engaged. In addition to this slight upset in Tommy's life, he is brought into an academic controversy when Michael Barnes, a young college intellectual, writes an article for the literary magazine in which he calls the board of trustees "fascists"! Tommy, because he wants to read a letter to his composition class written by Vanzetti, is about to have to join the ranks of the martyrs who got fired because the trustees are shouting "Red" so loud they can't hear an idea tinkle. Ellen tries to dissuade Tommy from reading the letter and this, coupled with Joe's presence, forces Tommy to ask her to go with Joe and leave him to his books and his principles. Eventually Tommy challenges Joe to a drunken fist fight. Also, he refuses to deny that he will read the Vanzetti letter and decides to stand on his principle of the freedom of ideas and the right to teach the young to think. Ellen now sees that he is a pretty good example of the male animal and stands up with him.

Wedding Bells

Chris Laine and Jeff Kolster were "married" on March 7, 1983, in the Home Ec Room by the "Rev" Mrs. Hale. The bride wore a skirt and blouse, and carried a bouquet of plastic flowers. The bride was given in marriage by her "father," Kevin Tanner.

Connie Haulik was maid of honor. Other attendants were Sheila Buckingham, and Lisa Sepulveda. Gary Allen was best man. Ushers were Tim Fields and Bob Sinn. A reception was held afterward.

This "mock" marriage was performed as part of Mrs. Hale's Adult Life II class. The "wedding" was a high point in their study of relationships starting with dating, thru marriage, and culminating with parenting.

Newfield

Bloodmobile

This year the Newfield Central School Teachers' Association, the Student Council, and the Varsity Club sponsored a Bloodmobile at the school. The day was a huge success with more than 60 pints donated. There were no casualties other than a few white faces, and those who were donating for the first time found it to be a painless experience. The blood now goes to the Red Cross to donate to area hospitals.

Not everyone was able to give blood. While some donated blood, others donated time by working at the sign-in station, taking temperatures, taking blood pressure, helping the nurses, or handing out juice and cookies to the donors at the Canteen. Students gave up their free time to help out, and the people from the community were extremely supportive. The Bloodmobile would not have been a success without everyone's help. Thanks to all!!
